Re: US v Allie, Edward Alexis Medrano, et. al.
13 Cr. 242 (SAS)

Dear Judge Scheindlin:

I am counsel for Edward Alexis Medrano, who is scheduled to be sentenced on October 28, 2014.

With the consent of AUSA Jared Lenow, I respectfully request that the sentencing be adjourned for thirty days.

The adjournment is necessary to adequately prepare for sentencing. Mr. Medrano is a Career Offender, and I am still in the process of reviewing medical and court records that I obtained. The original sentence date was August 25, 2014, and my one prior request for an adjournment was granted.

Sincerely,

/s/

Donald J. Yannella, Esq.
